

Drawstring Pillowcase Bag

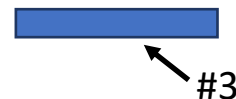

Step 1

Cut and iron your 3 fabrics:

#1 cut 27 inches by width of fabric

#2 cut 9 inches by width of fabric

#3 cut 3 inches by 40 inches

Step 2

Fold and iron the long way of both pieces #2 and #3 with color on the outside.

Step 3

Take #3 and fold under both skinny ends by a half an inch twice and sew across.

Step 4

Layer all three fabrics and pin across the top.

Lay #2 open with color side up

Lay #1 on top with color side up and matching the top edge of #2

Lay #3 still folded the long way centered on top of #1 with edges facing top

Layer in this order:

Step 5

Roll #1 up from the bottom but stop a few inches from the top where you pinned all three layers.

Step 6

Take the bottom of #2 and pull it over the rolled #2 and pin to all the layers at the top.

Step 7

Sew across the top of all layers - removing the pins as you go.

Step 8

Reach inside the tube and pull out your fabric.

Step 9

Sew the remaining side and bottom and iron colored side out.

Step 10

Thread rope or ribbon through #3 and tie off your new drawstring bag!
